

Dear Parents/Guardians of 7th, 8th, 9th Graders,

Ghoul Evening! On Wednesday, October 26 we will be working on a service project we call 'Trick or Canning', intended to introduce the 7 Principles of Catholic Social Justice Teaching (see back if you'd like to quiz your child - it'll be a real 'treat' for them!), collect non-perishable food in order to feed the hungry, and have some fun in the process. We will be driving to and walking the nearby neighborhoods to collect food. We still need some help as far as drivers and chaperones, and for bringing & serving treats for the teens afterwards. Please fill out the form below if you are able to assist. **We need a permission slip for each student and we are asking that each student bring a non-perishable food item** or two if you're able. 'Dead'line for permission forms is Sunday, October 24. No costume is necessary - however there is a costume contest for leaders which the teens & Peer Ministers judge.

The 8<sup>th</sup> Graders will begin in the Great Hall with their small group and then venture out.

Yes! I would like to volunteer to help with the Trick or Canning Project!
